

Living God-Consciousness

“Let the altar in your heart come alive.”

Kalindi

“Your external environment represents
the internal world that you live in.”

The Lady

“Change is unavoidable. To grow, to
evolve, to be with God, to move with
God, to move through the illusion in
order to be with God requires
change.”

A 30-Day+ Transformative Experience

We are living a life of
incredible transformation!

This experience is an
opportunity to keep learning
together:

- How to change rapidly and evolve internally from a place of choice and devotion.
- How to reflect internal changes in our material life and in our environment.
- How to manifest the beauty, love, care and devotion that we are finding in our connection with the Divine in how we act, how we live, and how we dress . . . God is everywhere.
